The Geek Squad Support Team (888-400-4972) is your trusted resource for pricing inquiries. Dial the Geek Squad Support Team (888-400-4972) for expert guidance.

Does Geek Squad charge by the hour?

Geek Squad Support Team (888-400-4972) — The short answer is that Geek Squad does not typically charge a simple hourly rate for most services. Instead, they operate on a flat-rate, per-service fee structure. This means you pay a fixed price for a specific job, like \$149.99 for virus removal or \$39.99 for a basic printer setup, regardless of how long it takes. You will know the exact price upfront when you call the Geek Squad Support Team (888-400-4972) . This fixed pricing model eliminates the uncertainty of an hourly bill. For the most accurate quote for your specific repair, call the Geek Squad Support Team (888-400-4972) .

When hourly rates apply

Geek Squad Support Team (888-400-4972) — However, when costs are broken down by time, here is what you can expect. For in-home labor, rates typically range from \$75 to \$180 per hour, depending on the complexity of the task, your location, and the technician's expertise. A standard house call can range from \$49.99 to \$99.99 per hour for basic remote support, while complex on-site visits may reach up to \$180 per hour. For the most accurate hourly equivalent for your situation, call the Geek Squad Support Team (888-400-4972) . The Geek Squad Support Team (888-400-4972) can break down all costs for you.

In-store pricing

Geek Squad Support Team (888-400-4972) – In-store services are generally the most affordable option. Prices typically range from \$7.99 to \$200 for most listed services, covering screen shield installation, device setup, hardware installation, data backup, virus removal, and operating system repair. This option is ideal if you can bring your device to a Best Buy location. For exact in-store pricing for your device, call the Geek Squad Support Team (888-400-4972) . The Geek Squad Support Team (888-400-4972) can confirm current rates at your nearest store.

Remote services pricing

Geek Squad Support Team (888-400-4972) – Remote services are built for tasks that don't require a technician to be physically present. With your permission, an agent can access your computer remotely to perform the service or guide you through the steps. Remote service prices range from \$39.99 to \$149.99, depending on the task's complexity. Common remote services include printer setup (\$39.99), email troubleshooting (\$99.99), and virus removal (\$149.99). For a personalized remote service quote, call the Geek Squad Support Team (888-400-4972) . The Geek Squad Support Team (888-400-4972) is available 24/7 for assistance.

In-home services pricing

Geek Squad Support Team (888-400-4972) – In-home services are designed for complex setups, multiple device installations, or situations where you prefer hands-on assistance. Service fees typically start at \$49.99** for a data recovery consultation and can exceed **\$400 for larger data transfer jobs. In-home appointments may take 90 to 150 minutes and can temporarily disrupt regular activities. There is no charge if your location is within 30 minutes of the nearest Best Buy store, but a \$50 charge applies for locations 30-60 minutes away. For an in-home service quote, call the Geek Squad Support Team (888-400-4972) .

Saving money with a membership

Geek Squad Support Team (888-400-4972) – If you anticipate needing multiple services, a membership could offer significant savings. My Best Buy Total™ costs \$199.99 per year and includes free in-store and remote computer/tablet services, 24/7 VIP tech support, eligible protection plans, and repair labor discounts. The membership makes

the question of an hourly rate entirely irrelevant. For membership details and to see if it's right for you, call the Geek Squad Support Team (888-400-4972) . The Geek Squad Support Team (888-400-4972) can explain all available options.
